Did You Know that DCACC...

Cares for nearly 5,000 each year...all without the support of taxpayer dollars.

70% of DCACC's homeless pets were given up by their previous owner.

Has cared & rescued many species including: dogs, cats, rabbits, reptiles, birds, small animals...even goats & chickens.

Achieved an average adoption success rate of 86.2% in 2010.

Is the only open admission shelter in DuPage County and will not turn away any animal in need.

THANK YOU FOR YOUR SUPPORT!
