TRANSPORTATION

Transportation has consistently been a problem in the suburban area. Traveling for medical attention, social services, education and employment can be challenging. Many resources for senior citizens are available from your municipality, park district, townships or the county and are listed on the following pages.

For specific information about services available in your local community, see the grid starting on page 137, or contact **DuPage County Senior Services at (630) 407-6500, 1-800-942-9412**, or your local city, village hall, or township office.

RIDE DU PAGE

Many townships, cities, and villages operate or subsidize transportation services for seniors and people with disabilities. **Ride DuPage** is a program that combines many of those services into one, easy to use system. **Ride DuPage** began coordinating transportation services for a few sponsors in July 2004. More have been added, with more to come. Transportation is provided via taxi or bus, curb-to-curb. Once you are registered for **Ride DuPage** through one of the sponsoring agencies, you can call the Ride DuPage call center directly to set up rides at **1-800-713-7445**.

The DuPage County Paratransit Program is a Ride DuPage sponsor and offers transportation to county residents who meet low-income guidelines. Travel is provided to medical appointments within DuPage County, DuPage County Health Department locations, and DuPage County Community Services at 421 N. County Farm Road, Wheaton, IL. Proof of eligibility must be provided and applicants must pre-register. There is a charge of \$4 each way to the 421 and 111 N. County Farm Road Buildings, all other destinations are \$1.50 for the first 6 miles, then \$1.50 each additional mile. To register, seniors should call DuPage County Senior Services at (630) 407-6500 or 1-800-942-9412.

Senior Transportation Grant, another Ride DuPage sponsor, is funded through the Older Americans Act and is administered by DuPage County Senior Services. Eligibility is determined on an individual basis with priority given to low income frail elderly who do not qualify for or cannot afford other transportation programs. Rides can be provided to medical appointments, nutrition sites, adult day centers or banking. For more information, please call **DuPage County Senior Services at** (630) 407-6500.

THE DU PAGE COUNTY PILOT II PROGRAM

Pilot II is a subsidized transportation program utilizing taxi cabs to provide services to senior citizens and people with disabilities. The program allows participants to purchase coupons at a discount from sponsor agencies. Arrangements for the taxi ride are made directly with the cab company. Individual sponsoring agencies decide the eligibility requirements and the specific rules for participation. Those interested must enroll through a sponsor agency. (See Transportation grid on page 137) No lift-equipped vehicles are available. For further information, please call **DuPage County Community Services (630) 407-6500** or **1-800-942-9412**.

ILLINOIS DEPARTMENT OF HUMAN SERVICES

Pace has two programs, which offer curb-to-curb services in DuPage County. These are:

Dial-A-Ride Services provide transportation for senior citizens, persons with disabilities, and in some cases, the general public. These services may be available through your Local Township or municipality. (See Transportation Grid on page 137 for specific information.)

ADA Paratransit Service provides curb-to-curb transportation to people with disabilities who meet regional eligibility criteria. Registration is completed through the RTA. ADA Paratransit Service is only available in areas served by fixed route services.

The Regional Transportation Authority (RTA) is responsible for registration and determination of eligibility for PACE Regional ADA Paratransit Services. The RTA can also tell you where you can register for the ADA Paratransit ID card. Eligible riders may travel with one companion at no additional charge. If space permits, more than one companion may accompany the passenger, but are required to pay the full fare. All trips must be scheduled at least one day in advance. To apply for ADA (Americans with Disabilities Act) and CTA Paratransit call (312) 663-4357 or (312) 913-3122 (TTY).

To determine if ADA Paratransit or Dial-A-Ride services can transport you to a specific destination, call (847) 364-7223 (Pace Suburban Bus), or 1-800-606-1282.

Circuit Breaker has been replaced by the Benefit Access Program which allows low-income Illinois residents age 65 and over or disabled persons, living in the RTA service region, free transit on fixed-routes operated by the Chicago Transit Authority (CTA), Metra and Pace.

Who is eligible for the Benefit Access Program?

Once you have confirmation of the Benefit Access Program application, riders must then request the Ride Free Transit Card. Call (312) 913-5414 or visit www.rtachicago.com for registration sites for the Permit. You will need a government-issued picture I.D. that verifies your age and a photo of yourself 1 ½ inches square. RTA Reduced Fare Permit allows senior citizens 65 years and older, veterans with 100% service related disability, Medicare card holders, and qualified disabled persons to ride all CTA buses/rapid transit, PACE buses and Metra trains for half the full fare. Permits are valid for four years and take approximately 3 to 4 weeks from date of application to receive.
