

Annual Earth Day Trail Cleanup

The Illinois Prairie Path Saturday, April 27th, 2013

9:00AM –Rain or Shine

In observance of Earth Day 2013, The Illinois Prairie Path not-for-profit Corporation, has scheduled their **Annual Earth Day Trail Cleanup for Saturday, April 27th, Rain or Shine!**

Volunteers are needed! Our goal each year is to clean up as much of the 62 miles of the Illinois Prairie Path as possible. Hopefully, we will continue to duplicate the same effective and extraordinary cleanup that is done each year for Earth Day. We would like you to help us by rolling up your sleeves (but wear work gloves), and pick up litter along the trail. Please dress appropriately due to weather, and join us on Saturday, April 27th.

If you, your family, co-workers and club organizations are interested in helping out, please contact one of the cleanup coordinators listed below:
