**RE: DuPage County Probation Provider Network**

**To Whom it May Concern:**

DuPage County Probation & Court Services has utilized evidence-based practice within the department for several years. There are agencies that have agreed to provide services for our offenders by entering into a contract with DuPage County since 2005. Each agency in our Service Provider Network has an expectation of excellence in service for our offenders with the ultimate goal of reducing recidivism. Evidence-based practices consist of basic principles that promote and increase successful outcomes for our mutual clients.

We periodically offer the opportunity for providers to respond to a Request for Proposal (RFP). At this time, we are inviting your agency to review the RFP and respond if you are interested in becoming a part of our Service Provider Network.

If you expect to respond, there is a Letter of Interest that must be returned no later than July 6, 2009 at 4:30 pm. This form along with the entire RFP is available at our website [www.dupageco.org/probation](http://www.dupageco.org/probation). If you are unable to access the website you may contact Patti Moore at 630.407.8545 and she will mail out a packet to your agency or you may pick it up at our department. If you are interested in going through the process, fill out the paperwork according to the timetable set.

A pre-proposal meeting will be held on June 15<sup>th</sup> at 1:00-2:00 P.M. in the Judicial Office Facility, Annex Room 1-2, 503 N. County Farm Road. If you should have any questions, you may call Patti Moore, Network Provider Administrator, at 630.407.8545.

Gratefully,

Timothy P. McGavin
