

Environmental Consulting Firms as of 8/5/08

This list consists of those local firms, which have represented to the DuPage County Department of Environmental Concerns that they are capable of providing various services related to wetlands. This list is provided as an aid to anyone seeking wetland-consulting expertise. The inclusion of firms on this list does not constitute a recommendation, endorsement, or certification of their qualifications or performance record, nor does the absence of a firm from the list constitute a negative endorsement. DuPage County has made no attempt to verify the credentials of these firms. It is the responsibility of consultants to be knowledgeable of the professional qualifications necessary to provide such services and to obtain the requisite expertise. Those seeking professional services are advised to use independent judgment in evaluating the credentials of any firm appearing on this list.
