October, 2008

The 13th edition of the **Senior Citizens Resource Directory** has been published as a service to DuPage County senior citizens, their families, social services agencies and concerned citizens to provide an easy reference to services and benefits available for older adults. We hope that you will find this directory informative and useful.

We would like to express our appreciation to the agencies that responded to our request for updated information, and to the staff from Senior Citizen Services and Research and Operations, whose hard work and expertise are evident throughout this directory. Please inform our office if you are aware of any changes to the agencies or information included or of additional resources that may be beneficial to senior citizens.

Inclusion in the **Senior Citizens Resource Directory** does not imply endorsement by DuPage County Community Services. Due to space limitations and policy considerations, the **Directory** does not include all agencies and/or services. **Senior Citizen Services** maintains an extensive information system of additional resources and encourages inquiries.

It is the sincere desire of **DuPage County Community Services** that this directory will fill an important need in the community, providing resources that will enable individuals to make informed choices related to the issues of aging.

Very truly yours,

Philip R. Smith
