APPLYING FOR US CITIZENSHIP

Lawful Permanent residents over the age of 18, with a valid green card for a period of the past 5 years, who meet the eligibility requirements, can file for US citizenship. If married to US citizen you may apply for US citizenship after 3 years with a valid green card. If an applicant has served in the United States armed forces during war, that individual may obtain citizenship without first becoming a permanent resident if they were in the United States upon enlistment into the U.S. military. To become a
naturalized U.S. citizen, you must pass the naturalization test. At your naturalization interview, you will be required to answer questions about your application and background. You will also take an English and Civics test unless you qualify for an exemption or waiver.

There are exceptions and modification to the naturalization requirements that are available to those who qualify such as the English Language Exemption, Medical Disability Exemption and Fee Waiver. U.S. Citizenship and Immigration Services (USCIS) also provide accommodations for individuals with disabilities.

- **ENGLISH LANGUAGE EXEMPTION**: Client is exempt from taking the Civics Test in English and permitted to take the test in their native language. The requirements are the following:
  - Age 50 or older at the time of filing for naturalization and have lived as a permanent resident (green hard holder) in the US for 20 years; client is still required to take Civics Test.
  - Age 55 or older at the time of filing for naturalization and have lived as a permanent resident (green hard holder) in the US for 15 years; client is still required to take Civics Test.
  - Age 65 or older at the time of filing for naturalization and have lived as a permanent resident (green hard holder) in the US for 20 years, client is given special consideration and given a short version of Civics Test.

- **MEDICAL DISABILITY EXEMPTION**: Client may be eligible for an exception to the English Civics test if unable to comply with Citizenship requirements because of a physical, development or a mental impairment.

- **FEE WAIVER**: USCIS established a fee waiver for clients that can demonstrate inability to pay the fee. Client must meet one of the following requirements:
  - Client is only receiving a means-tested-benefit such as SNAP, SSI, SSD, Social Security Benefits; Household income is at or below 150% poverty level at the time of filing; or experiencing a financial hardship that prevents client from paying the filing fee, such as unexpected medical bills or emergency.

(630) 530-1120
www.dhs.state.il.us

Determines initial and on-going eligibility for state and federally funded public assistance programs including food stamps, Medicaid, Cash Assistance, and TANF. Most immigrants entering the United States after 8/22/96 are unable to receive certain types of public assistance for their first five years in the U.S. There are exemptions to these restrictions for certain categories of immigrants including asylees, refugees, victims of trafficking, and immigrant victims of domestic violence. Immigrants who are not eligible for other public assistance (ineligible non-citizens) may still qualify for emergency medical coverage, pregnancy related medical coverage and medical coverage for children under the age 19, regardless of how long they have lived in the U.S. To apply for public assistance or to obtain further information regarding eligibility, please contact the Illinois Department of Human Services directly.
