Re: Meeting Summary of MEG for July 19, 2012

The Municipal Engineers Group (MEG) meeting was called to order by DuPage County Staff during the monthly meeting of the Municipal Engineers Discussion Group (MEDG). Roll call was taken, and 19 communities out of a total of 37 had eligible designees present to vote. The proposed by-laws for the MEG dated July 19, 2012 were unanimously approved and became effective immediately. Election proceedings for Chair and Vice-Chair subsequently followed. Karen Daulton Lange of the Village of Downers Grove will preside over the MEG as Chair for the term of approximately one year by unanimous approval. Mary Lou Kalsted of the Village of Lisle will preside over the MEG as Vice-Chair for the term of approximately one year by unanimous approval. The MEG was adjourned following the election proceedings.
