Re: E/M Coating Services (Illinois EPA BOA ID#043060ABT)
Construction Permit (17010025)
Lifetime Operating Permit Revision (87090088)

To: Distribution List

In accordance with the Illinois EPA's Environmental Justice Policy, the Illinois EPA wants to provide you with information about a potential Illinois EPA action in your area. The Illinois EPA is sending this letter to notify you of two applications received by the Illinois EPA Bureau of Air (BOA).

The Illinois EPA has received an application from E/M Coating Services requesting a construction permit to add three new coating booths at its facility located at 129 Eisenhower Lane South in Lombard.

E/M Coating Services has also requested that its Lifetime Operating Permit be modified to incorporate the requests made in the construction permit application. The Lifetime Operating Permit is the operating permit for the facility and describes the emission units and regulations applicable to the facility. Lifetime Operating Permits are issued by the Illinois EPA to small sources of air emissions.

The applications are currently under review by the Illinois EPA's Bureau of Air.

If you have any questions, comments or concerns about the application, please contact Elizabeth Rupel, Office of Community Relations at 217/557-6474, elizabeth.rupel@illinois.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Pressnall".
