VILLAGE OF WILLOW SPRINGS

RESOLUTION 2017-R-06

RESOLUTION TO THE DU PAGE COUNTY ZONING BOARD OF APPEALS
RECOMMENDING DENIAL OF APPEALS PETITION Z17-028

WHEREAS, The Village of Willow Springs has been made aware of a request for conditional use approval for an asphalt batching plant to be located at 9900 S. Route 83 in unincorporated Du Page County; and

WHEREAS, the proposed location of the batching plant is in close proximity to the Village of Willow Springs; and

WHEREAS, the petitioner has not proven that the use will comply with performance standards relative to noise, vibration, air pollution, particulate matter and other environmental concerns; and

WHEREAS, said batching plant will have a negative impact on the use and enjoyment of properties located in Burr Ridge, Willow Springs, Lemont and other surrounding neighborhoods as well as property values and the general welfare; and

WHEREAS, according to a CDC Hazard Review published in 2000, the toxic adverse health effects of chemicals contained in asphalt fumes include bronchitis, emphysema and asthma as well as a myriad of other afflictions; and

WHEREAS, area residents who already have respiratory disorders will find their illnesses worsen as a result of continued exposure to the toxic fumes found in the processing of asphalt.

NOW THEREFORE, BE IT RESOLVED by the President and Board of Trustees of the Village of Willow Springs, Cook County, Illinois that we respectfully request that the Du Page County Corporate Authorities deny the request for conditional use approval of Petition Z17-028 and protect the health, quiet enjoyment and general welfare of the citizens residing in close proximity to the proposed asphalt plant location.
