Employer # 02999
Elected County Official plan

Note X. Pension Plan

Plan Description. The employer's defined benefit pension plan for Elected County Official employees provides retirement and disability benefits, post retirement increases, and death benefits to plan members and beneficiaries. The employer plan is affiliated with the Illinois Municipal Retirement Fund (IMRF), an agent multiple-employer plan. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available financial report that includes financial statements and required supplementary information (RSI). That report may be obtained on-line at www.imrf.org.

Funding Policy. As set by statute, your employer Elected County Official plan members are required to contribute 7.50 percent of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The employer annual required contribution rate for calendar year 2019 was 47.63 percent. The employer also contributes for disability benefits, death benefits and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Trustees, while the supplemental retirement benefits rate is set by statute.

Annual Pension Cost. The required contribution for calendar year 2019 was \$511,131. (If you made an additional payment toward your unfunded amount, add this payment to your monthly contributions, based on payroll and recalculate the percentage of APC contributed.)

<u>Calendar Year Ending</u>	<u>Annual Pension Cost (APC)</u>	<u>Percentage of APC Contributed</u>	<u>Net Pension Obligation</u>
12/31/19	\$511,131	100%	\$0*
12/31/18	\$753,154	100%	\$0*
12/31/17	\$824,021	100%	\$0*

*If you utilized the phase-in contribution rate, the net pension obligation will have to be calculated.

The required contribution for 2019 was determined as part of the December 31, 2017, actuarial valuation using the entry age normal actuarial cost method. The actuarial assumptions at December 31, 2017, included (a) 7.5 percent investment rate of return (net of administrative and direct investment expenses), (b) projected salary increases of 3.50% a year, attributable to inflation, (c) additional projected salary increases ranging from 0.4% to 10% per year depending on age and service, attributable to seniority/merit, and (d) post retirement benefit increases of 3% annually. The actuarial value of your employer Elected County Official plan assets was determined using techniques that spread the effects of short-term volatility in the market value of investments over a five-year period with a 20% corridor between the actuarial and market value of assets. The employer Elected County Official plan's unfunded actuarial accrued liability at December 31, 2017 is being amortized as a level percentage of projected payroll on an open 24 year basis.

Funded Status and Funding Progress. As of December 31, 2019, the most recent actuarial valuation date, the Elected County Official plan was 67.95 percent funded. The actuarial accrued liability for benefits was \$8,233,367 and the actuarial value of assets was \$5,594,831, resulting in an underfunded actuarial accrued liability (UAAL) of \$2,638,536. The covered payroll for calendar year 2019 (annual payroll of active employees covered by the plan) was \$1,073,128 and the ratio of the UAAL to the covered payroll was 246 percent.

The schedule of funding progress, presented as required supplemental information (RSI) following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.
