RIGHTS, PRIVILEGES, AND RESPONSIBILITIES

The following are the rights, privileges, and responsibilities of applicants for assistance through the VAC Program.

Applicants have the following RIGHTS and PRIVILEGES:

▪ You have a right to file a written application for assistance and to receive help in completing the application.

▪ You have the right not to be discriminated against because of your race, religion, national origin, gender, age, physical impairment or political affiliation.

▪ You have a right to be treated with respect and in a courteous and considerate manner.

▪ You have the right of privacy regarding the information you provide to the VAC. It must be kept confidential unless the VAC requires disclosure of the information to determine your eligibility for assistance or to coordinate your assistance with other agencies.

▪ Your living arrangements must conform to VAC rules. The VAC has the right to deny rent payments to parents and to third parties in sub-lease situations.

▪ You have a right to choose where you will obtain the goods and services for which the VAC will provide financial assistance. However, you may be required to get estimates in advance for the services you are requesting. As all bills are processed through the County Finance Department, vendors should not expect immediate payment. The VAC has no control over whether any provider will give you specific goods and services in exchange for payment by the VAC.

▪ You have a right to ask questions about your application and inspect, in the presence of VAC personnel, the case file containing your records and information during regular VAC office hours. However, the case file may contain certain information which has been provided to the VAC on the condition that it would not be revealed to you. The VAC has a right to remove such confidential information from your case file before you see it.

▪ You are encouraged to contact other agencies and apply to other programs that may be of assistance. A list will be furnished to you at the time of the interview.

▪ You have a right to expect the VAC to make a decision on your application for assistance within 30 days. You have a right to a decision in writing. If your income and assets are more than VAC guidelines allow, you have a right to see how the VAC calculated them.

▪ You have a right to appeal-in writing- any action, inaction, or decision of the VAC office to the President of the VAC Board or his/her designated representative. VAC staff will provide you with a “Notice of Appeal” and assist you in completing the form. The Board President will convene a hearing to examine your case. Hearing officers will include the following: Board President or designee, Judge Advocate or designee, and at least one other member. Their decision will be final.

▪ You have a right to voluntarily repay the VAC for any assistance they provide to you.
Applicants have the following RESPONSIBILITIES:

- You have the responsibility to treat the personnel working in the VAC office with courtesy and consideration. Any action or threat made by you to harm a VAC employee or behavior that is insulting and disrespectful may be grounds for denial of VAC assistance, expulsion from the building, and/or arrest.

- You must complete a written “Application for Assistance”. The application will contain information used in evaluating your case.

- You must provide the VAC with all the information needed for a determination of your eligibility and must assist the VAC in obtaining any other documentation that may be required.

- A current photograph of all applicants is required in the VAC case file.

- You must keep all scheduled appointments with VAC personnel. If a circumstance arises that prevents you from keeping your appointment, you must contact the VAC promptly.

- You must apply at the ILLINOIS DEPARTMENT OF HUMAN SERVICES (IDHS) office, and/or your township of residence if applicable, as a condition for VAC assistance. The result of your application from IDHS and your township is required documentation that must be added to your file.

- You must maintain current registration for employment at the Job Service section of the Illinois Department of Employment Security (IDES) and apply for unemployment compensation if eligible.

- You must accept and follow through in good faith any referral by the VAC to any other agency or person or for any benefit that might alleviate your present needs. If you are referred to another human service agency for assistance and refuse to apply for help from that agency, the VAC may determine that you are ineligible for financial assistance on the basis that you failed to seek services and financial aid that might be available from a primary source.

- You must notify the VAC of any change in your personal status such as a job change, an altered family situation, a different dependent status, or any other material fact that would alter your eligibility.

- You must consent to and sign “Truth Acknowledgement” and “Release of Information” statements so the VAC can obtain information and verify data given on your application. Providing false, fraudulent, or misleading statements disqualifies applicants from receiving any assistance from the VAC and will result in criminal prosecution to the fullest extent of the law.
