REMODELING Existing Structure (Submit Architectural Plan) _____

<p>*Approved water meter installation is required within 14 days after connection approval. Failure to do so will result in water service termination and/or criminal complaint by the Office of the States Attorney per Ordinance Sec. 36-508.</p>
--

A COPY OF ALL APPLICABLE PERMITS ISSUED MUST BE POSTED BY THE PERMITEE IN A CONSPICUOUS LOCATION ON THE BUILDING SITE DURING CONSTRUCTION AND READILY AVAILABLE FOR REVIEW BY COUNTY STAFF.

Normal Domestic Sewage (as defined in the Ordinance) contains a Biochemical Oxygen Demand (BOD) of less than or equal to 220 milligrams per liter and suspended solids of less than or equal to 240 milligrams per liter. This comes from normal washing, cleaning, and washroom activities, kitchen activities and cooling water which does not contain anything toxic which, if discharged into the sewer system, would constitute a violation of the sewer use ordinance.

Non-Domestic Usage may include process rinse waters and wastewaters, excessive food and beverage wastes, discharges of cooling waters which contain chemicals which may be harmful to the treatment plants and/or sewer system, special cleaning solutions which may be corrosive or which may contain toxic organic chemicals as defined in the Ordinance.

Will anything other than normal domestic sewage as defined in the Ordinance be discharged from the location for which the application is being made? YES _____ NO _____

If yes, you are required to fill out the Non-Residential Wastewater Discharge Permit Application Form and/or Baseline Monitoring Report, for evaluation by the COUNTY as to whether the proposed discharge will be allowed as is, and whether any special monitoring and/or pretreatment will be required. (Please contact our Chief Chemist at 630-985-7400 to obtain this form/report.)

STATEMENT OF RELEASE

PROJECT NAME: _____

I, _____ (print name), as Owner/Developer, do hereby agree and affirm that, upon completion of the water and/or sanitary sewer extension (connection) for which this permit application is being submitted, and upon the COUNTY'S final inspection and approval for acceptance by the COUNTY, interest in all property rights to said extension shall be deemed transferred to the County of DuPage. As-built drawing will be forwarded to DuPage County as required, before any buildings are connected into the utilities.

I, as Owner/Developer, further agree that I or any assign(s), shall be responsible for all necessary maintenance and repair work to said extension (connection) for a period of **one (1) year** from the date of final acceptance by the COUNTY, with the COUNTY responsible for the maintenance and repair of said extension thereafter.
