Dear Liquor License Holder,

Over the last several weeks, I have received inquiries expressing concerns regarding the operation of your business during these unprecedented economic times and if the County would be reducing its annual fees for Class A (package stores), Class B (restaurants & taverns) and Class C (hotels & recreational facilities) liquor licenses.

By the authority vested in me as the DuPage County Liquor Control Commissioner, I am hereby reducing by 50% the annual applicable fees for the renewal of existing licenses for this year (for licenses effective July 1, 2021 to June 30, 2022).

If you have already submitted a renewal application fee, a 50% credit will be applied to your account.

I hope this reduction will aid your business as you begin to recover from the impact of the global pandemic on your operations.

Best of luck to you.

Regards,

Daniel J. Cronin  
Chairman  
DuPage County Board
